Mike Martin introduced his brother, Sgt. David Martin of the Lassen County Drug Task Force to share his experience from a marijuana grow bust back in 2009.

From the Redding.com
LITTLE VALLEY — Members of the Lassen County anti-drug task force were scouting for illegal marijuana cultivation Tuesday afternoon near Little Valley when they came across a suspected pot garden and an armed man who began shooting at them.

Two task force members were wounded in the ensuing gunbattle that left the man who started it dead, according to the Lassen County Sheriff's Office. The full names of the task force members have not been released by the sheriff's office.

A Lassen County Sheriff's Office press release this afternoon identified them as "Sergeant Martin" and "Deputy Woginrich."

Online county records listed a Sgt. Dave Martin and deputy David Woginrich as members of the Lassen County Sheriff's Office.

Martin was flown to Mercy Medical Center in Redding with a non life-threatening wound, according to the sheriff's office.

Martin appears to be a veteran deputy, having been awarded a desk clock in honor of 20 years of service by the Lassen County Board of Supervisor in December 2007, according to online county documents.

John Ketelsen, Lassen County administrator, confirmed Martin was the more seriously injured of the two deputies who were shot. He said Woginrich had a "very minor" wound. He said there was an arrest in progress when the shooting started.
