Coach Shaun Wood, Modoc High School All-time Winningest Football Coach stopped by to give us updates on both football and wrestling.

Shaun talked about how the Shasta Cascade League is taking shape with Modoc's first look at league opponent and currently the second best team in the league, Fall River in a non-league game tomorrow night at Carver Field. Shaun likes the makeup of his seniors and the mix of very athletic juniors. With the news of Tulelake dropping their football program due to lack of interest by students, the league is very small. Most schools are facing declining enrollment (Modoc is too), teams are smaller and Weed currently only has about 15 players compared to Modoc 30+ players. Currently we have only two players coming off of injuries and the bye week should have fixed that problem.

Shaun Wood

Coach Wood moved on to talk about the new wrestling mat that both the Noon Club and Sunrise Rotary Clubs have donated money for. Right now we have committed around \$5,000 but that price may go up do to shipping and setup fees. The old mat is over 15 years old and with the focus on safety of students from injury and infectious virus, it is important to take care and have

a high quality mat. A new mat would allow the school to keep wrestlers safe, keep their youth program safe and let P.E. students enjoy a safe classroom experience.

Ducks Unlimited Youth Hunt was helped out by Sunrise Rotary, serving hot dogs , chips and drinks to 35 youth hunters who had a great duck and geese opening day.

MARBLE GAME.

Alan was sorta lucky? Again!

Happy Pot!
